

CFHA Jersey Care Policy

All players will be provided jerseys as follows:

- U7, U9, U11, U11AA – (1) Timbits, MacDonald's jersey, and socks to keep for game play and/or practice. Jersey deposit does not apply.
- U13 AA, U13, U15, U18 – (2) Jerseys to be used for game play and returned at end of season. *Postdated cheque to **Central Female Hockey Association** of \$100 will be collected prior to handing out Jersey's. This cheque will not be cashed if Jersey is returned in acceptable condition at end of season.*

How to care for your Jersey:

- Hand wash separately and let air dry (Do not put jersey in dryer)
- Protect/separate the jerseys from skate blades and Velcro in gear bags
- Use of garment bags are recommended for game jerseys
- Sew name bar on back of jersey above number but do not glue or iron on as this will cause damage to the jersey once removed. Name bars are not provided by CFHA but are encouraged. Captain C's and Assistant A's that are provided by individual teams should be sewn on the top of arm.
- Return jerseys washed with name bars and captain letters removed at acceptable condition. Acceptable condition is defined as normal wear of the jersey. The condition of the jersey will be noted and recorded by the Team Manager upon assigning it to a player and upon its return.

If above care guidelines are not followed and the jersey requires replacement, the player will be responsible for the full replacement cost of the jersey at \$100 per game jersey. Same applies for lost jerseys.
